**DATE :** 14 JANUARY 2020

---

The Commission on Higher Education is pleased to inform interested parties that the Swiss Federal Institute of Technology Zurich (ETH Zurich) is offering Certificate of Advanced Studies (CAS) in Public Governance and Administration (PGA).

The CAS PGA is structured as a single, intensive 16-day learning experience. The program size is deliberately limited to enable a small group of participants representing various countries, sectors and backgrounds to enhance each other's learning through exchange and teamwork. The program is structured around innovative, competency-based learning experiences, including simulations, peer-to-peer learning, excursions and best-practices analyses, as well as expert lectures and group discussions.

The program is taught by world-class professors from ETH Zurich and other universities, as well as by highly experienced practitioners.

Further information may be accessed at Swiss School of Public Governance official website <<https://sspg.ethz.ch/education/caspga.html>>

Dissemination of this memorandum is desired.
